**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who is currently connected with competitive DSL and phone service and am patiently waiting for fiber to arrive through my LOCAL provider. My business and home internet pricing will be materially affected by the elimination of competition. Keeping competitive local broadband and telephone providers are critical to prevent price gouging by monopoly telecom and broadband providers.

Thank you.
